

Make a loop  
Just like so  
Now you've made  
A zero

Make his back  
And a belly so fat  
Up to the top to  
Draw 5's hat

Straight line down  
And then you're done  
Number 1 is  
Really fun

Make a 'c'  
Then round you go  
Now you've made a  
6 you know

Half a heart  
Will never do  
Slide to the right  
To make a 2

Across the top  
And drop down low  
You've made a 7  
There we go

Around a Tree  
Around a tree  
That's the way to  
Make a 3

Make an 's'  
Then shut the gate  
That's the way to  
Make an 8

Down and Across  
And down some more  
That's the way to  
Make a 4

Circle round  
And down the line  
That's the way  
To make a 9
