# School Nurse Clinic

## Who are we?

School Nurses are public health professionals who work with parents, children, and young people to support health and wellbeing needs.

## What will be doing?

We are trialing a bookable school nurse clinic once per half term for your school. This will give you the chance to meet face-to-face with a team member to discuss any concerns you may have about your child.

Contact the school office to  
book your appointment.
